**Course Description:**

Introduces students to the elements and principles of visual design. Includes line, shape, space, value, texture, volume and color. Also includes skill development in organizing these elements and applying the visual principles of harmony, variety, balance, tension, rhythm, proportion, repetition, and contrast.

**Course Objectives:**

During this course students will explore visual art and design through:

1. Realization & application of the elements and principles of design
2. Developing convergent and divergent creative processes
3. Realization and application of various art & design materials
4. Realization and application of various art & design processes and methods
5. Communication through form
6. Demonstrate self-reflection, formative evaluation and critical thinking

**Student Learning Outcomes**

**Outcome 1: Ability to intentionally communicate through visual form.**

Measurement: Students create an art product (i.e., choosing from various media) that gives an idea form and manifests specific content. Product will be assessed by end of term portfolio review.

**Outcome 2: Ability to synthesize indigenous, Native, and Himdag ideas and artifacts into personal artistic style and vision.**

Measurement: Students create a portfolio of art products using various media that demonstrate an understanding of cultural synthesis.
Outcome 3: Ability to intentionally manipulate media to specific outcomes.
Measurement: Students demonstrate their ability by using the elements and principles from studio courses to solve visual problems.

Outcome 4: Ability to manifest a personal vision across a range of media.
Measurement: Cumulative evidence ascertained by review of portfolios evidencing a range of student work from admittance to graduation with their AFA.

Outcome 5: Students consciously integrate visual art and design theory and practice into Himdag.
Measurement: Student portfolios evidence ability to visually communicate O’odham culture. This outcome will be measured by the instructor.

Course Structure:
Students will create 6 (six) separate projects in which they will engage in the intentional manipulation and application of the elements + principles of design through a series of projects that include but are not limited to:

5. Final –Insect house, Creating a logo, info graphic and 3D design will utilize all the elements and principles learned in this course

Projects engage students in:
1. Realization & application of the elements of design
2. Realization, application & intentional manipulation of the principles of design
3. Convergent & divergent creative processes
4. Realization and application of various art & design materials
5. Realization and application of various art & design processes and methods
6. Giving ideas intentional form
7. Communication through form
8. Demonstrate self-reflection, formative evaluation and critical thinking.

Texts and Materials:
Art & design will purchase a kit for many of the materials, additional materials are supplied Failure to come to class appropriately prepared will lead to lowered marks on the project.

TEXT: No text is required for this course; materials will be presented in power point lectures and handouts

Evaluation and Grading & Assignments:
100-90    A
89-80    B
79-70    C
69-60    D
59 + below    F

In class assignments (100 per assignment) 500
Attendance & class participation (32 class periods= 12.5 points per class) 400
Mid term Test 50
Final Test 50
TOTAL POINTS: 1000

Students are expected to take notes during lectures, videos and films and are responsible for the content presented.
Students are expected to come to class, prepared, with all necessary research, materials and prior requirements.
Students are encouraged to bring any concerns they may have about the course and course content to the attention of the instructor BEFORE quizzes, tests, Midterm and Final.
ATTENDANCE IS ESSENTIAL. Instructor reserves the right to drop students after 4 (FOUR) absences.

Himdag Cultural Component:
BASIC DESIGN, ART 100 will focus to imbed Tohono O’odham Himdag in projects that explore the elements, principles and processes of visual arts & design. Students will work to create fresh approaches to traditional cultural artifacts, modes of production, symbolic representation and iconography.
Tohono O’odham traditions and cultural beliefs will be discussed as relevant to course topics, and only as appropriate to the Tohono O’odham Nation’s traditional standards for sharing information.
The predominant pedagogical practice in this course is that of group demonstration and other forms of demonstrative non-verbal communication.

ART 100 Basic Design, POLICIES AND EXPECTATIONS:
1. Except in the case of an excused emergency, students are expected to attend each class.
2. Late arrivals will count against attendance record. Two late arrivals or early departures constitute one (1) absence.
3. Class participation and preparation are essential to student success.
4. Students are responsible for clean up of their particular and general work areas.
5. Failure to clean up will result in a loss of grade points.
6. Students must read textual material, prepare for projects, complete required research prior the class in which they will be offered.
7. Students are expected to come to class prepared for class and having done any preliminary work required as per the chronology.
8. Students are expected to stay in class ON TASK and work diligently throughout the whole time. Frequent/continued exiting from the class during the class period will constitute one (1) absence.
9. No cell phone use is allowed during class. Use of cell phones during class, unless permitted by instructor, is a violation of the T-So:son. Unsanctioned use of cell phone during class constitutes one (1) absence.
10. Four (4) absences will lead to being dropped from the class.
11. Plagiarism (that is using another’s work) is a serious offense.
12. Late work is marked down for each day of tardiness.
13. Failure to submit a project results in a grade of zero (0). An F is a better grade!
14. No work accepted after the last class.
15. Students are responsible for the safe utilization and return all tools and materials. Failure to do so will result in a fee charge for replacement of tools or withholding of grades until tools are replaced. The tools belong to the TOCC!
16. Students are required to obey all state and federal regulations. Breach of any established law that constitutes either a felony or misdemeanor will result in immediate exclusion from the class.

Title IX Syllabus statement
Tohono O’odham Community College faculty and all staff are dedicated to creating a safe and
supportive campus. Title IX and our school policy prohibit discrimination on the basis of sex—this includes sexual misconduct; harassment, stalking, domestic and dating violence and sexual assault.

Sexual discrimination and sexual violence can undermine students’ academic success and quality of life on campus and beyond. We encourage students who have experienced any form of sexual misconduct to talk about their experience and seek the support they need.
