#### Course Description:

Introduction to Business Principles of business operations in the private enterprise system. Includes contemporary business and its environment, structure of American business, management principles of the organization, people, and production, marketing management, information systems and accounting, and financing the enterprise.

#### Course Objectives:

1. Prepare the students for a career in the field of business
2. Develop an understanding of the business processes
3. To help develop organizational skills required in business
4. Review the history and development of business in the United States
5. Develop the correlation between people and business
Student Learning Outcomes (SLOs) : (Three to Six)

After completion of the course students will be able to
1. Discuss the historical and contemporary aspects of the private enterprise system including the related environments of economics in the United States, international business, social responsibility, and business ethics.
2. Analyze the structure of American business, emphasizing the forms of business ownership, entrepreneurship, small business operations, business financing, and total quality management.
3. Describe the principles of managing organizations, people, and production including the management of internal organizations, operations, human resources, effective teamwork, business communication, and labor-management relations.
4. Describe the principles of marketing management including customer satisfaction, product and pricing strategies, distribution strategy, and promotion strategy.
5. Explain business information systems and accounting procedures.
6. Explain the principles of financing in the private enterprise system focusing on financial management principles, the operations of financial institutions, and an overview of the securities markets.

Course Structure:
This is an online class. The reading, assignments, discussions, examination and small group projects are broken down into six modules. Please see the calendar at the end of the syllabus for details.

Access to the Internet

Evaluation and Grading & Assignments: Assignments
Written assignments are to be free of grammatical and spelling errors. Written assignments must be handed in on the assigned day as a MSWord document double spaced with size 12 font Times New Roman.

Completion of introductory module: 50 points
Discussions: 200 points
Responses to discussions:200 points
End of chapter questions :200 points
End of Module Quizzes 150 points
Small group projects 300 points
Total points possible:1100

Grading Procedures and Policy
990 pts+ “A”
880- 989pts “B”
770-879pts “C”
660-769pts “D”
659pts or less “F”
**Himdag Cultural Component** This class will incorporate aspects on how business impacts the culture for individuals and groups.

**Policies and minimum expectations:**
This is an online class. Students must read the text in order to complete the work assigned in this class.
Students must respond the discussion topic posted by the instructor. In addition, each student must comment of two other students’ responses to the to the topic. One word or sentence response are not acceptable.
Late work will not be accepted.
All students are expected to complete their own work.
Plagiarism will result in a “0” score for that assignment and reported to the Dean
Student behavior will also be conducted per the school’s code of conduct.
