Policies and Expectations:

Suggested Policies

In addition to any other TOCC policies specified in the Student Handbook, **the following policies apply in this course:**

•Be **punctual** for class and **attend every class**. You are part of a team and attending all classes (and completing all assigned work in preparation for class activities) will ensure a smooth flow of our class work and schedule. If (for some reason) you are absent, **YOU are responsible for contacting me** and explaining your situation as soon as possible. You are also responsible for finding out what work you miss, and for catching up with the rest of the class. Attendance is a priority!

•Merely attending class meetings while not participating and submitting work will affect your grade—**your ACTIVE participation is requested**.

•Please be respectful and courteous to **all** members of this course. Inappropriate behavior will not be tolerated. Please be mindful of the *T-So:son* at all times.

•**Plagiarism**, in any form, is **unacceptable** and will result in an “**F**” automatically. There are absolutely no excuses for plagiarism.

•**Communication** is key to your success in this class. I will do my best to assist you in any way that I can to help you earn the best grade possible. You need, however, to do your part to help me achieve this goal by not hesitating to approach me whenever you are experiencing difficulties/concerns of any kind, and by committing 100% to this class. I can only help you if I am aware!

Attendance Policy

You are expected to arrive to class on time and be prepared to participate in each class period. Four unexcused absences may result in withdrawal and a “W” or “Y” will be recorded. You may request to be excused from class for religious observances and practices, for illness, for school or work-related travel or for personal or family emergency. If you will be absent, please notify the instructor as soon as possible (approved by Faculty Senate April 2014).

Incomplete Policy

Incomplete (I) grades are not awarded automatically. The student must request an “I” from the instructor who can choose to award an Incomplete only if all three of the following conditions are met:

1. The student must be in compliance with the attendance policy.
2. There must be an unavoidable circumstance that would prohibit the student from completing the course.
3. The student must have completed over 75% of the course requirements with at least a “C” grade.

Incompletes are not a substitute for incomplete work due to frequent absences or poor academic performance. Incomplete grades that are not made up by the end of the ninth week of the following semester will be automatically changed to an F if the agreed upon work, as stipulated on the written form signed by the instructor and the student when the I grade is awarded, is not completed.

Instructor Withdrawals

Students who have missed four consecutive classes (or the equivalent) not submitted any assignments nor taken any quizzes by the 45th day census report, due on [*date of 45th day found in Academic Calendar on TOCC website*] are assumed NOT to be participating in the class and may be withdrawn at the faculty member's discretion. [faculty members should be clear in their withdraw policy, if you do not withdraw students please note in appropriate sections].

Student Withdrawals

Students may withdraw from class at any time during the first 2/3 of the semester without instructor permission and without incurring any grade penalty. Please be sure to withdraw yourself by [*withdrawal deadline date found in Academic Calendar on TOCC website*] if you do not expect to complete the class, otherwise you may receive an "F" grade.

Special Withdrawal (Y) Grade

The "Y" grade is an administrative withdrawal given at the instructor's option when no other grade is deemed appropriate. Your instructor must file a form stating the specific rationale for awarding this grade. "Y" grades are discouraged since they often affect students negatively. Your instructor will not award a "Y" grade without a strong reason
