

Default Question Block

Thank you for your interest in participating in A Student's Journey! There are a couple things to keep in mind while completing this application:

- The application will save automatically as you move through each page, but it will only be saved on the computer you are using.
- This application requires you to upload your resume and unofficial TOCC Transcripts.
 - To get access to your TOCC Transcripts, go to MyTOCC.
- It is also important to know that if you do not complete your application, another person who has access to your computer will also have access to the information you have already entered.

It is for these reasons that we recommend you complete this application in one sitting.
