

## **Associate of Business in Business Administration**

### **Business Degrees**

If you are interested in college degrees and certificates that would allow you to work in a variety of jobs, you may want to explore TOCC's business offerings. Graduates with a business degree may work in small or large companies, or work virtually from home, using their computer, telephone, and other technology. With a business degree, you could also be an entrepreneur and open your own company or create an online business via the Internet.

The Associate of Business in Business Administration is the AGEC-B transfer degree that incorporates the General Education requirements of the public universities in Arizona. The [Associate of Applied Science in Business Management](#) is a workforce degree intended for those students seeking entry-level employment upon completion.

TOCC graduates with a business degree can also work for the Tohono O'odham Nation in one of the many departments of the government. This degree can be useful in various fields, including the health industry, marketing, finance, and agriculture.

### **Program learning outcomes**

1. Demonstrate the ability to use data to solve common issues that arise in business operations.
2. Demonstrate knowledge of basic organizational and procedural principles of business
3. Demonstrate the ability to apply economic and legal concepts to a business operation.
4. Provide an analysis of the degree of "fit" between a specific business plan and the Tohono O'odham Himdag.

**Associate of Business in Business Administration  
Program of Study**
