Safe Reopening Planned

TOCC is committed to maintaining safe and clean campuses for students and employees. In 2020-2021, no COVID-19 cases were found to be transmitted on TOCC campuses.

TOCC supports widespread COVID-19 vaccination as this contributes to the common good and strengthens families and communities, which aligns with the College’s mission.

To protect against COVID-19 infection, all employees, students, and community members who enter the grounds of the College **must be vaccinated**. Waivers are available for health or religious reasons only. Those with waivers will be tested for COVID-19 twice weekly. Wearing masks is required in all public places on campus.

Employees are 100% compliant with TOCC’s vaccination policy.

Incentive for Students - \$250 for submitting proof of full vaccination

This incentive is for **ALL** students taking classes, online or in person, during fall 2021. Submit your documentation of vaccination and a recent picture through the website.

Just click the COVID-19 button at the top of TOCC’s homepage www.tocc.edu. Then click the “Submit proof” button, fill out the brief form, and upload a photo of your vaccination card and a recent picture of yourself.

Checks will be mailed after fall classes begin.
