

TOCC Student Vaccination Incentive

TOCC students registered for Fall 2021 can now receive \$250 for having been vaccinated. This incentive is for any TOCC student registered for Fall 2021 regardless of residency.

The current vaccination rate cited by the Tohono O'odham Nation as of June 30 is 42% for those 18 and over. That's akin to Nevada, Missouri, and other places where the Delta variant is causing such a strain on health care systems. TOCC has a responsibility to the Tohono O'odham Nation to support the effort for vaccination as it contributes to the common good and to the strengthening of families and communities as described in TOCC's mission.

What do I need to do to receive the incentive?

If you are not yet vaccinated, but plan on doing so, please use these links to find a vaccination site:
