

APPLICATIONS OPEN!

PATHWAYS TO STEM

SUMMER PROGRAM

JUNE 27 - JULY 18, 2022

MON - FRI 3 - 5 PM

FULLY ONLINE VIA ZOOM

This opportunity is intended for students entering TOCC, high school juniors or seniors, and first-year college students. Come learn more about the Ha:sañ (Saguaro) while you can!

- Earn 2 credits of college science elective credit with all course expenses covered!
- Learn about TOCC and how to be a successful TOCC student!
- Get to know your future classmates in our Wednesday socials!
- Learn about career pathways in STEM and chart your course of study!
- Learn about how the Ha:sañ is connected with desert life and its environment!
- Learn about cultural perspectives on the Ha:sañ from Tohono O'odham elders!
- Learn how to use the Man in the Maze to become a successful student!

Questions? For more information or to apply to the program, contact Dr. Teresa Newberry at tnewberry@tocc.edu.
