Application for Employment

Staff Personnel

Thank you for your interest in applying for employment with the Tohono O'odham Community College. The following is important information for applicants concerning the employment process.

Application

Applications are accepted for positions currently open for recruitment. Before you apply, please review the qualifications of the position as listed in the job announcement. A separate application is required for each position for which you want to be considered. Legible photocopies of the original application form will be accepted, but require an original signature and date. Completed applications must be received in the Human Resources Office by the close of business on the closing date of the job announcement.

A complete application packet includes: an accurate and complete application form; resume, unofficial transcripts if required; an original signature with date, and any other supplemental information required. An incomplete packet may delay or prevent your employment opportunities with the Tohono O'odham Community College. For key positions, one (1) letter of recommendation and a letter of interest must be included in the packet. All applications must be complete without referencing other materials or sources. If more space is needed to give full answers or to list additional jobs attach continuation sheets in the same format.

Process

First, the application and supporting materials are reviewed for completeness and timeliness, then qualifications are appraised, supplemental application materials are screened, telephone and/or personal interviews may follow, or other methods may be used. Reference and employment checks are also made. The length of time to complete the selection process varies for each position.

Applicants are notified of their status at various points during the process.

Disclosure

The application form and all attached documents become official records of the Tohono O'odham Community College and cannot be returned. Please make a copy for your files before submission. Applications for employment with the Tohono O'odham Community College are subject to public disclosure laws and confidentiality of information contained therein cannot be assured.

You are not required to disclose information about physical or mental limitations you believe will not interfere with your capability to do the job. However, if you would like to request a reasonable accommodation to complete this application form or to participate in any phase of the selection process, please make your request to the Human Resources Office at the above address and/or telephone number within five (5) workdays prior to the closing date of the job announcement.

General

Persons selected for appointment must comply with all laws pertaining to employment. The Immigration Reform and Control Act of 1986 requires that new employees provide documentation verifying that they are either U.S. Citizens or are authorized to work in the United States. Tohono O'odham Community College policy prohibits employment of relatives where one is in the supervisory chain of the other.
