Associate of Business in Business Administration

Graduates with a business degree may work in small or large companies, or work virtually from home, using their computer, telephone, and other technology. With a business degree, being an entrepreneur, opening a company, or creating an online business via the Internet are all possible outcomes.

Program Learning Outcomes:

1. Demonstrate the ability to use data to solve common issues that arise in business operations.
2. Demonstrate knowledge of basic organizational and procedural principles of business.
3. Demonstrate the ability to apply economic and legal concepts to a business operation.
4. Provide an analysis of the degree of "fit" between a specific business plan and the Tohono O'odham Himdag.

Students:

You must secure official approval by your advisor(s) before submitting the **final** Program of Study. By signing or entering your name below, you agree to the following statement: "Students are responsible for complete knowledge of Academic Catalog requirements in their degree plan and for adhering to all policies in Academic Catalog and Student Handbook."

Signature Panel:

Please indicate approval of the curriculum on the Program of Study by placing your signature (formal electronic signatures are permitted) in the space provided.
