Certificate in Substance Abuse and Addiction Studies

The Certificate in Substance Abuse and Addiction Studies is meant to provide students with the core academic work to work as a substance abuse professional and Certified Addition Counselor. The Certificate is also designed to work towards an Associate of Arts in Social Work.

Program Learning Outcomes:

1. Social Problems and Social Change: Students will be able to articulate and discuss various human conditions that lead to the need for human services and the delivery of human service programs.

2. Professional interpersonal skills: Students will demonstrate the ability to use professional interpersonal skills in order to assist someone seeking social services on the individual and group level.
3. Evaluation and Planning. Evaluation: Students will demonstrate the ability to assess the needs of individuals on the micro (client level), mezzo (organization and community level), and macro (policies, cultural, and legal levels) in order to address individual or social problem and create positive social change. Planning: Students will demonstrate the ability to develop a plan of action based on a needs assessment.
4. Cultural Sensitivity: Students will demonstrate cultural awareness and sensitivity needed to respectfully serve the Tohono O’odham Nation and others in a diverse service population.
5. Professional Ethics: Students will demonstrate an understanding of the importance of professional ethics and the ability to identify situations in which there can be ethical dilemmas and how to appropriately mitigate them.
6. Knowledge of substance abuse and addiction. Students will be able to articulate and discuss the dynamics of substance abuse addiction along with the prevention and treatment of the substance abuser.
