Certificate in Digital Media

The Certificate in Digital Media is meant for students who are interested in video production and professional digital photography.

Program Learning Outcomes:

1. Visually communicate ideas with perceptual skill, using digital media.

2. Deploy the theory and practice of video, photography, and digital arts in expressive, functional, and strategic applications.
3. Carry out digital media productions using the value system of the Tohono O'odham Himdag.
2. Critically evaluate the role of the image upon society and the individual in the context of representation, history, culture and economy.

Students:

You must secure official approval by your advisor(s) before submitting the **final** Program of Study. By signing or entering your name below, you agree to the following statement: "Students are responsible for complete knowledge of Academic Catalog requirements in their degree plan and for adhering to all policies in Academic Catalog and Student Handbook."

Signature Panel:

Please indicate approval of the curriculum on the Program of Study by placing your signature (formal electronic signatures are permitted) in the space provided.
