Certificate in Management and Supervision

This program is not yet eligible for Financial Aid

The Management and Supervision Certificate prepares the student for front line supervision and management. Different approaches and techniques to management and supervision will be examined and how they should be applied. This includes leadership, organization, planning and other management practices.

Program Learning Outcomes:

1. Demonstrate appropriate and effective communication skills with coworkers and other stakeholders.
2. Demonstrate effective problem-solving skills when difficult situations arise with coworkers and other stakeholders. Case studies will be examined, analyzed and discussed to help the students better understand different situations that could arise in the workplace.
3. Demonstrate pertinent supervisory skills and knowledge through interactions with others in the workplace.
4. Demonstrate an understanding of basic business organization and behavior.
